

World Languages Day 2009

Bus Driver Instructions

Welcome! Here are some instructions on where to park your bus.

Construction note: Farm Lane is closed between Mt. Hope and Wilson. Buses parking in Lot 89 should use Hagadorn to go south to Mt. Hope after dropping your passengers at Eppley Center.

Bus parking on April 18: It is suggested that buses park in Lot 92, located on Service Road about one block east of Bogue Street (note, however, that there is an event at the College of Veterinary Medicine today and that this primary lot may be fairly full). It will be easiest for you to go back east to Hagadorn and turn right (south) to Service Road to enter Lot 92. Buses may also park in Lot 89 (the Commuter Lot on the northwest corner of Farm Lane and Mount Hope Road). Drivers may also drop participants at Eppley Center, and park at some off-campus venue if desired.

Please note: **You are responsible for any parking tickets you incur.** World Languages Day cannot pay for any tickets or intercede with the Department of Police and Public Safety on your behalf.

If you want to join the World Languages Day event, we can send someone down to the lot to pick you up. You will need to tell us which lot you are in. Vans will be available between 8:30 and 10:00, but be aware that there may be a wait before we can dispatch someone. We will make a return run to each parking lot at 4:00pm.

Please call one of the following numbers and we can arrange a ride for you.
